Gentlemen:

Inclosed please find forms for your information which will give you an idea what you should prepare for prior to evacuation. Please show these to the various members of your organization so they will have a general idea what to prepare for,

It is most urgent that members who haven't completed arrangements for the disposal of their farms or business be contacted at once and every effort made to wind up their affairs. As you know this office will assist in every way so if there are any problems please bring them in and we will do our best to solve them for you.

Yours very truly,

*Harold Johnson*
