

AMERICAN LOYALTY LEAGUE  
STOCKTON CHAPTER OF THE  
JAPANESE AMERICAN CITIZENS LEAGUE

March 18, 1942.

Mr. Jack Noda  
Rt. 1 Box 210  
Denair, California

Dear Jack:

Relative to the card which I received this morning concerning the possibilities of using the Stockton Chapter's constitution as reference in drawing up your chapter's new constitution, I have just located a copy (incidentally the only one on hand) which you are welcome to use.

According to the information that I received, it is quite out of date and there are several amendments drawn up at a later date which have never been attached to the original.

I hope it will be of some value to you and your committee, Jack. Please see that it isn't lost. You can return it when you are through using it.

Good luck!

Yours very sincerely,
