Dear Mr. Naka,

In behalf of the Stanislaus-Merced chapter of the JACL,
I wish to express our belated but sincere appreciation for
the cooperative spirit that your organization has shown us
and the financial aid that you so voluntarily contributed to
our treasury.

We fully appreciate your present affiliation with the
Fresno group, but we hope that someday we shall have the pleasure
of having your group with us. In the meantime, we also
offer our wholehearted cooperation in solving and relieving
our mutual problems.

Sincerely yours,

Corres, Sect'y
