Subject: Teaching Appointment

Dear Mr. Wells:

I am enclosing the following forms which you will please fill out and send to me here at Manzanar.

5 form 57
1 form 8
1 form 47
12 form 124b
1 form 2390

Of course, all five copies of form 57 need to be filled out, but it is not necessary to have these copies notarized. In filling these out, indicate under question No. 31 page 2 the California credentials you hold instead of the examinations taken. In question No. 34, answer "yes"; and then under kind of license and state, refer back to question No. 31. Forms 8 and 47 are not to be completed until you enter on duty, and then they will have to be notarized. Form 2390 can be completed at any post office.

As soon as we receive these forms, we shall set to work promptly to get the appointment completed.

Sincerely yours,

Roy Nash
