Project Nursing Director  
Manzanar Hospital  
Manzanar, California

Dear Miss Wetzel:

Would you please accept my resignation as supervising nurse at the Manzanar Hospital, to become effective April 21, 1943. It is with regret that I find it necessary to resign at this time, but I have been advised to do so by my physician.

It has been a pleasure and a privilege to have had the opportunity of working here at Manzanar under your supervision.

Sincerely yours,

(Mrs.) Shirley E. Wells
