

Life is Serious!

Life is Earnest!

My dear Miss Ogata san;

Spanking you all will please me very much — Especially you of all. Probably you'd like to do-like-wise — or more so — for being what I am.

'Go ahead! — This is an 'abnormal life', I'd understand!'

'Obliging people' in this 'abnormal life' of mine is one of my attained philosophy; much as I'd like to continue doing so —

Although you wrote "Don't Thanking me" in that sweet little card, I just 'gotta' thank you for —

Introducing me —
to Femininity — galore!

"Aren't you going to ask me to wear it for you?" — If you don't

- it'll hurt - oh - so much - Nesei
streaks! Aren't you curious enough
to want to see my figure - the so-
called - after what the 'kids' said?

Typical Nesei am I not?
Asking for everything, humble me giving nothing.
To a Color - Blue!

— That' will be my favorite, hereafter.
to a hobby 'Intsy Wintsy Menagerie'
- which you seem to be the sole provider
'Whitey' is cute, so is 'Blackie' but
'Green Eyes' - my pet will be. Trait of a woman

(Now my most humblest invitation to you,
to go, look, see' in the cabinet - oh yes,
'peek' too.

Not much change to it - nevertheless
them - my prides in it!

No comments - what so ever!

Pardon - maybe you won't look -
(you have nesei complex too maybe?) -
if I'm not here - Go ahead - I trust
you! - Your thoughts you may keep.

Don't you detest the days, you'd have
to withstand 'with me'?

Just me
Your neighbor
