MESSAGE

Dear Sue,

Being that I was near Pisa  
and I was in the Red cross  
here & ran across this I  
thought I'd send it along.  
I haven't gone in on to check  
to the tower but some day  
I'm going up & spit down  
it just for fun. Most of  
the boys went up but  
you know me I just lay  
on my cot & sleep. will  
write later.

Always  
Paul.
