New York  
City

Susan,

I've been so darned  
busy that this is the  
first time I've any  
opportunity at all to write.

New York is really a  
paradise for those who  
have any money to spend.  
I once heard that in  
New York you could spend  
the rest of your life doing  
something different each  
night, well I've seen New  
York and I believe it.

I never have seen  
anything to compare with  
the entertainment that  
this town so proudly boasts  
of. All up and down  
Broadway, Greenwich Village,  
42nd Street, 52nd Street  
there are countless numbers  
of nightclubs, theaters, etc.  
Boy, what a town!!

The prominent members  
of miser society in New  
York gave us a dance  
and what a time! I must

Had a date last night.  
Went to Ed Chico's in  
Greenwich Village and later  
to see Milton Berle at  
the Rxy. Had a wonderful  
time!

I shall relate more upon  
my return. I know I  
sound overenthusiastic but  
so would you be —.
