

YANK WAC, 12 OF NIPPON DESCENT TO LEAVE FOR JAPAN— *Nisei To Be Mannequins Of Democracy*

Cosmetics enough to last a full year are being packed by some of the contingent of WACs leaving Fort Snelling Saturday for Japan. Left above are Caucasian WAC Sgt. Rhoda Knudten, the only non-Nisei in the party, and Pfc. Michkey Minata loading a cosmetic kit with lipstick, powder and other beauty aids. They are going to be on the safe side if cosmetics prove difficult to get in Japan. Right above, Sgt. Fumiko Segawa and Chito Isonaga, both of whom were instructors in the Japanese language school, fill a duffel bag with part of their wardrobes. High buckled overshoes are going to Japan with the young women.
