

Elizabeth Easton Jones

Dear Sue,

Thank you for your letter, and
clippings. I'm very proud of you and all you
are doing. The clippings were posted and
we're all so interested, but all the same
we miss you three. I know how you must miss

*Season's Greetings
and Best Wishes for the New Year*

are much happier, and are seeing and doing so
many wonderful things.

Best wishes to you and Iris for a
very merry Christmas.
