Dear Sue -

Bumi would have a fit if he found out that I am thanking you only now for your sweet remembrance on Valentines.

We were really flattered, and want to thank you very very much ^{Bumi} ~~from someone else~~ and I didn't expect anything ^{Bumi} besides from each other, and the box of chocolates & kind thoughts were ~~the~~ a pleasant surprise.

We really did have fun the night you & Jack came over. I hope we can get together again. Do phone me when you have time. My number is Dale 1243. Since I'm working now, I find it difficult to keep up with having

company but we really enjoy having
people over or going out with other
people occasionally.

Thanks very much again.

Sincerely
Gene & Hirobumi
