Dear Sue -

Lee and I both want to thank you for your thoughtful card. I am in Sch. Itz. Co., directing the choir and "sweating out" a discharge, and Lee at the moment is studying painting under Kuniyoshi in NYC.

The choir did a fine job Sat. at graduation, and that night Shiz, Atsuko, Rhoda, and a couple of others left for Japan! Were they excited! Shiz even got a permanent!

Thanks again for your card - hello to Kisa and anyone else who might remember me.
