Hi, you guys! <sup>new year's eve</sup>  
The place seems off

without you people - but hope  
that you're all enjoying your  
lovely camp + the swell new friends.

We're constantly skiing  
+ ice skating now. Loads of  
fun with the M.P.s (former  
442 combat men + they're  
quiet + gentle!). Odd, isn't it  
after the mess they've seen in the  
S.H.O. Luck + love Edith
