

HIYA -
MERRY CHRISTMAS
FROM THE HOME FRONT

Yup,
this is what you're missing, Chum.

Christmas shoppers 's tough as they come,
The shove in the rear, the kick in the shin,
The poke in the eye, the jab in the chin-
Yes, you'll miss this - it's very true

But NOT AS MUCH AS I MISS YOU!

Haven't you got enough
points - yet, for crying
out loud!
