

# Wacs Get Club Of Their Own; Hold Grand Opening

The long-awaited Wacs club opened November 1, with a good representation of members from both WAC Detachments present to properly initiate it. The Club, which is located in the log cabin at the junction of MacArthur and Queens-town Roads was open to all Post personnel for the evening.

Among those present were General and Mrs. Crane, who were impressed by the atmosphere of informality and friendliness that marks the club as other visitors were.

The date of the opening of the club lacked exactly two months of marking the third anniversary of the arrival of the Wacs at Fort Devens. Only a few members of the original Co., that moved into camp the first of January, 1943, were on hand for the occasion.

It was through the combined efforts of both Wac Detachments, led by Lt. Kathryn M. Riale, that the Wac Club finally came into being.

All enlisted Wacs of the War Department Personal Center are automatically considered members. As such, they are entitled to use the Club as long as they conform to the rules and regulations drawn up by the Board of Governors.

The Board of Governors is composed of five officers, chosen from both detachments by a general election. Sgt. Beatrice Buckley, of WDPC, is the President; assisted by 1st Vice President Tec 4 Barbara Braender, of WDPC; 2nd Vice President-Tec 4 Evelyn Baldwin, Sta Comp; Secretary-Treasurer Sgt. Ruth Starks, Sta Comp; and Asst. Secretary-Treasurer Sgt. Madelyn Brown, WDPC.

Presiding over the bar is Cpl. Dorothy Shore. She is assisted in her task by Pvt. Valeria Gajda.

The Club is open from 1830 to 2230 on weekdays, 1830 to 2400 on Saturdays, and from 1300 to 2230 on Sundays for members and their guests.

**G. I. HAREM** could be the title of this picture, when we find one man so completely surrounded by Wacs. But we merely wish to show you that a good time is being had by all.

**CENTER OF ATTRACTION** is the bar, and making full use of it are Sgt. Bernice Burkholder, Pfc. Frances Muench, and Sgt. Evelyn Bell. On hand to see that the glasses stay filled are bartenders "Lucky" Forrest and Dotty Shore.
