My dear Friends..

This is to thank  
you folks for the beautiful  
Chrysanthemums  
which came last Sun.  
in perfect condition.

We took most of  
them and placed  
them on my wifes  
grave in the ceme-  
tery and Helen + Susan  
kept a few for the

enough for all their  
consideration & kind-  
ness shown to us.

The Japanese people  
gave so many lovely  
flowers & also came  
& paid their respects.

I was proud to see  
so many.

Our boys also came  
forward and helped  
so much - running

house. They were gorgeous  
blossoms & so wonder-  
fully packed and the  
ice was still in the  
original package.

Mrs. Freitas was very  
bad during her last week  
and passed on in her  
sleep with no suffer-  
ing.

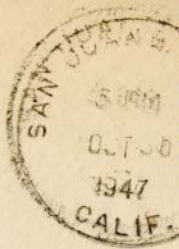

Her girls here were  
wonderful and we  
cannot praise them

errands & getting the  
yard in order. I am  
proud of my little  
group here.

Again ~~and~~ <sup>my</sup> gratitude  
for the lovely flowers.

Most gratefully

Wm. S. Freitas
