Dear Mrs. Okine,

Please forgive me for not writing sooner, but I have been busy so I just didn't have the time.

Thank you very very much for the lovely ~~for~~ flowers you gave my mother and me. They are so beautiful that I can look at them all day. I wore my flower when I sang at Stockton last Sunday and everybody told me it look like a real flower and look very beautiful. Thank you again.

How is everybody over there?

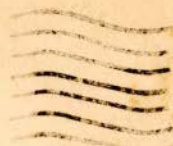

What are you doing nowadays?
 We are all fine over here and are
 picking grape since yesterday.

Please come to visit us if you
 have time. We are not too busy,
 yet. And we would like to have
 you come and visit us.

Please give our regard to every-
 one and don't work too hard.

Thank you again for the flower
 and the "wa-gi-gi"^{ki}

Sincerely yours,
 Ann
 Lanimoto.
