720 SOUTH MICHIGAN AVENUE CHICAGO

Dear Hotty: This is Sunday and your letter came to-day - I will hasten to send a line and hope we will be able to see you when you come up - you did not say if you intended staying on or not. In case anything should happen we might miss connections, I had Mr Smith write a pair for you for the Palace.

So glad to hear from you and feel sure you have enjoyed seeing your own people. The best of everything for you -
Sincerely
The Smiths
