Dear Mr. D. S. Mayer.
I am just answering your letter
in which Mr Sugiyama has
given my name as reference
and opinion about them well
I have known Mr Kine Sugiy-
ama about 15 years and even
since that time we havint
got nothing to just that
they were good friend and
never has any kind of trouble
with him nor with his
family and I think that's all I
can say.
