

Mess Hall Workers to Be Paid Friday, Saturday

First payment on the September project payroll totalling \$9,686 will be made Friday and Saturday, Nov. 20 and 21, from 8:30 a.m.-4:30 p.m. at the time-keeper's desk located in the north wing of the administration building, James M. Grace, cost accountant, announced.

During the two-day period, all mess hall workers (activity 513) in classes B and C and those in class A whose names begin with A through K inclusive will be paid.

Mess hall workers in class A whose names begin from letters L to Z will be paid as soon as funds are received from the disbursing office. Grace stressed the necessity of cooperation in calling for pay during this two-day period to expedite future payrolls.

Payment will continue for all other activities as fast as money is received and notification of other pay dates will be made.

In order to claim payment, workers must present for identification purposes, work orders or other identification documents bearing their signatures.

Payment will be made to payees only and in no case will payment be made to a third person, Grace warned.
