The outside employment office has also received 14 new offers for domestic work, if interested apply at the employment office.

Both Seasonal and Indefinite Leaves Require Pictures

Residents planning to leave the center for seasonal or indefinite periods are required to have their pictures taken by the project photographer, located in the Sentinel building. There is no charge for this service.

Professionals Requiring Licenses Should Check With Office

Residents who are professional or tradesmen requiring licenses to practice and are planning to leave the center for outside employment should go to the outside employment office to institute investigation as to whether the resident is eligible for a license, the cost or fee and all other details of the state to which he is going.

Closer Watch on Dogs Asked to Prevent Bites

All dog owners are asked by Rosie Matsui, chief of police, to keep close watch over their animals as numerous reports of dogs biting children were made. If this condition continues, measures will be taken by the authorities to remedy the situation.

Permanent Passes to be Given Movie Contest Winners

The two prizes for the two winning contestants in the theatre naming contest now in progress will be free permanent tickets, good for two people at any of the theatre any time. Contestants should hand in suggested names to either of the box offices or to the recreation department, located in block 16.

Sports Announcements

Baseball league teams must submit rosters to Herb Iseri at the athletic department by Friday evening.

Teams dropping out from softball competition are again asked by Iseri to notify the athletic department of their intention.

Golfers and others who want to help clear sage brush from the area west of the golf course are asked to meet 6:30 p.m. tonight at tee #1. Eddie Hamazawa and Mac Kawahara, in charge of the course, expressed their appreciation to those who helped yesterday evening.
