

GRADUATION SET JUNE 26

Los Angeles city school officials will be present at the Santa Anita Assembly center for the graduation ceremonies of junior and senior high school seniors on June 26.

University and junior college degrees will also be awarded at that time, and arrangements are being made for the graduation of San Diego students.

As all diplomas are to be sent to the office of E. J. England, Recreation department chief, students who are eligible for graduation must register by 3:30 p.m. tomorrow.

A special registration desk has been set up in the Recreation hall, and will be open from 8:30 a.m. to 3:30 p.m.

Students who have contacted their schools di-

P-T A PLAN ADVANCED

Dr. Yamato Ichihashi, professor of history and government at Stanford university for 30 years, addressed Center primary and secondary school teachers Saturday morning at the Recreation hall.

He advanced ideas for organizing a parent-teachers association and a course for training instructors. He will lecture every Saturday morning.

Dr. Ichihashi lived at Stanford for 40 years, having enrolled as a freshman in 1903. He received his doctor's degree from Harvard university.

Dr. and Mrs. Ichihashi came to Santa Anita with the Santa Clara evacuees. Their only son, Woodrow, a student at the University of Oregon, was inducted to the Tule Lake relocation center.

Despite the fact that he specialized in Japanese history, many residents of the college town, Palo Alto, believed him to be an American citizen. He was many times solicited for funds at election time.

PROJECTS FOR WRA CENTERS DISCUSSED

Suggestions as to the type of projects to be inaugurated at relocation centers were made by Center representatives to a WRA hearing board Friday at the Government house.

The board included Col. Hughes and Harpole of the Army Quartermaster division, and Chief Kimmel and Mgr. Stanoliff of the WRA Industrial division.

That agriculture should be the basic industry was suggested by Kyoichi Doi, Section 43 representative.

Amory Talks at Holiday Rites

GLENDALE, June 16--H.R. Amory, manager of the Santa Anita Assembly center, climaxed the MacArthur Day ceremonies by presenting the key of the new Glendale city hall to Mayor Archie L. Walters.

Manager Amory, who is also Southern California administrator for the Work Projects Administration, gave a short talk before making the presentation.

The WPA contributed a total of \$119,000 toward the cost of the new edifice at Broadway and Howard streets.

Kimmel explained that the WRA will furnish the mere necessities and that the residents themselves are to organize and run their community life.

Albert Nozaki suggested that relocated residents be given opportunities to develop their creative and artistic abilities in the manufacture of hand-carved and hand-painted articles. Section 26 Representative Masao Satow urged that vocation schools be set up.

Summing up the meeting, Chairman Kiyoshi Okura said: "The first order of business of the council would be to take up the ideas presented and form a committee to study these problems."

GEORGE TANBARA WINS MEN'S BADMINTON TITLE

Unseeded 19-year-old George Tanbara took two straight games from second-seeded Mitch Hashiguchi in a tight, fast finals match last night to become the first badminton champion at Santa Anita. Playing a very fast, aggressive game, he won 15-12, 15-12.

Tanbara, USC tennis doubles star, reached the finals by trouncing Frank Inouye, UCLA varsity netman, 21-6, while Hashiguchi defeated Francis Itaya, 21-12, in the semi-finals.

Martha Katow, top-seeded took the women's championship, 8-11, 11-8, 14-12, from Yone Dobashi.

Forty-four men and 14 women entered the tournament.

Chairman Shig Honda asks for more entries in the mixed and men's doubles which are starting this weekend. Girls especially are invited to sign up.

Weekly Barrack Checks Begin

Weekly inspection of sanitary conditions in the barracks began yesterday under the direction of Alan A. Alexander, Housing section chief.

Housing section workers will conduct the weekly inspections following a set schedule for each weekday, according to Alexander.

Parts of each district will be covered regularly on each weekday, he said.

PACEMAKER BUILDING -- Phone. 63

Flag Day Observed at Center's Church Services over Weekend

Flag day at Santa Anita was observed with prayers offered in religious services over the weekend.

The issei Seventh Day Adventists heard Pastor K. Nozaki speak on "Sanctification through the Word of God." Pastor W.A. Sweany of El Monte addressed the English Speaking service.

An all-girl choir, led by Charles Izumi, made its debut at the Catholic service. Father Swift conducted holy communion and mass.

Mr. and Mrs. Charles Summer and Mrs. Laura Bodenhauser were visitors at the Adult Holiness service. The Rev. S. Kuzuhara spoke on "Be Not Weary in Well-doing." The Y. P. service featured three speakers; the Rev. Kimura, Mrs. No-

buko Mukai, and George Takeya.

The issei Federated Protestants' preacher was the Rev. K. Kikuchi, and the Rev. Gordon K. Chapman, Presbyterian field representative for Coast Japanese, spoke at the nisei service. Adelia Larson, guest soloist, sang "I Have Been Born Again."

Sermons to issei Buddhists were delivered by the Revs. R. Mohri and Tsuruyama. The Rev. Aso was chairman.

A pledge to the Flag and a tribute to Gen. MacArthur precluded the Buddhist Sunday School and Young People's service. The Rev. Latimer's topic was "Thoughts and Desire."

For the benefit of those erstwhile elbow-benders, of whom there must be a great number here, we wonder why the canteens don't put up brass-rails in front of the soft-drink counters. It would make a lot of us feel more at home.

And with three canteens open here, pub-crawling might be revived. The only discouraging fact being that there's no real beer near here, only near beer is real here.

GOOD DEED

Many of the complaints regarding non-delivery of the PACEMAKER, it occurs to us, are due to the absence of mailboxes on most units.

The Boy Scouts, who are our news-boys, are doing a creditable job. One good thing, say some of them who have been paper-carriers before, is that there are no vicious dogs to battle.

GO BOOM

The collapsing of seven benches, one after the other, at a recent songfest, caused much laughter among the onlookers.

Frankly, we didn't think it was that funny. As we used to say in Iowa, 'Ain't had so much fun since the hawks ate my baby sister.'

That no one was hurt, other than the benches, authorities say, was because of strict adherence to the rule on the theory of falling: 'Be relaxed when you fall, then you'll be less likely to get hurt.'

As Nance Nomura says, this applies equally as well to falling in love.

BLACK EYES

Miyuki Aoyama commiserates with people with shiners in the following verse which she titles, 'After-Contact-with-a-Door.'

I can't stand a
Giant panda--
Its black eyes shine
So--so like mine.

THE GHOST WALKS

And the imminence of pay day encourages us to scout around for a bootleg hair-cut (sh-h-h). Neebo has promised me the address of his tonsorial speakasy.

Net Workers Make Use of Burlap

There may be a shortage of rubber balls in the Center, but thrifty Santa Anitans have devised a way to make a new kind of ball for games.

The balls are made from loose gunny sack threads,

by-products of camouflage net designs.

Net workers collect the threads and wind them into balls during their rest periods and while standing in the mess line.--by Betty Kanameishi.

CAREY MC WILLIAMS IN VISIT TO SANTA ANITA

Carey McWilliams, California commissioner of Immigration and Housing, author of the best-sellers, "Factories in the Field" and "Ill Fares the Land," was among the many distinguished visitors to the Center yesterday.

McWilliams, in addition to writing books and handling the many duties of his position, has championed the cause of the Americans of Japanese descent in many magazine articles.

His most recent article, "Japanese Evacuation: Policy and Perspectives," appears in the current number of Common Ground.

"Because this project," he writes, "has been under-

Bunks Hailed as Space Savers

"The greatest space saver in an apartment is a Pullman-style bunk," explains handsome Stanley Uno who resides with his brother Ernie at B-27 U-3 A-7.

The unique Uno bunk is five and a half feet high, with a three and a half foot space between the top and lower bunk.

Stanley, the older brother, occupies the upper berth and, because he has no ladder, he leaps up, grabs a rafter, and swings himself into his berth like Tarzan.--by Bob Kinoshita.

Commencement Registration

(Continued from page 1) rectly are warned that they also must register, in order to have their requests verified.

Maryknoll students will have commencement exercises in the near future, it was revealed by the Maryknoll sisters, who requested their pupils to register by tomorrow also.

All Maryknollers who left their names at the desk on Saturday are asked to re-register, so that their slips will not be sent to the Los Angeles Board of Education.

taken in great haste, out of military necessity, without the advantage of precedent, it is natural to expect that mistakes in practice will be made.... But these initial errors are not of paramount concern; they can be corrected with a minimum of inconvenience and damage.

"It is the matter of policy, of objectives, which is all-important at the moment."

Two Champs Top Boxing Card

Ben Nakasone, state amateur bantamweight champion, and Dick Miyagawa, National Intercollegiate boxing champ, headline a 15-bout exhibition Monday, 6 p.m., at the loading platform next to the Anita Chiquita field.

The matches are being staged by Jimmy Monji with the aid of Frankie Seto, George Yuzawa and Harry Higa.

One B Circuit Ends Tonight

The Jayhawks and All Shots tangle in the final game of the Santa Anita B Twilight softball league this evening at the Anita Chiquita field.

Meanwhile the other B loops, both American and National, still have two more rounds of play. On Saturday the Border Cities and San Francisco teams, both unbeaten so far this season, will meet for what should be the American league championship.

The Huskies are the only unbeaten team in the National league.

In American loop games the Comets mix with the Red Mess this evening, the Ramblers tangle with the Chef's tomorrow and the Argonauts meet the Commandos on Thursday.

San Diego's Cubs face the Huskies tonight, Pas-No-Mos collide with the Vandals tomorrow and South Bay Bees are pitted against Westside Thursday.

SOFTBALL

Long Beach-4, Shamrocks-3

Long Beach beat the surprisingly strong Shamrocks 4-3 in the A Twilight softball game at Anita Chiquita last night.

In the Old Timers league, the Post Office eked out a 3-2 triumph over the Anita Oldsters, to move into the upper division.

The Gamma Kappas copped an easy win from the Lancers in the National B league while San Francisco moved into a tie for first in the American loop with a 10-4 win over the Rainbows.

Softball Nears Final Round

The Twilight A softball league moves into its next-to-last round this evening as Whittier meets San Pedro at the Anita Chiquita field.

The San Diego Falcons have about clinched the championship and the Lil Giants and Jockeys are battling it out for the second slot.

Tomorrow night Hawthorne and the Golden Bears meet, with the Giants taking on the hustling St. Mary's team on Thursday.

The Jockeys play Long Beach on Friday evening, and the San Diego outfit faces the Shamrock team on Saturday to wind up the week.

Issei Is Citizen Of United States

Although he was born in Japan, Harry Ito, 44-year-old policeman, is an American citizen because he served with the American forces in the last war.

Ito, when only 20 years old, volunteered and served with the 125 field artillery, Battery A, American Expeditionary force, and won his corporal's chevrons.

"We have some 29 World war veterans in Santa Anita," he said. "Twenty-two are American citizens and members of the Perry post of the American Legion." --by Bill Hatanaka.

Another Meeting

Every A and B softball team in the Twilight loop is to send a representative to the meeting tonight, 8 p.m. at the Recreation office.

New teams which wish to enter the Center's leagues may also send a representative to the meeting this evening.

ISLANDER TO PLAY TOMORROW

Diok Miyagawa, whose medley of Hawaiian songs were the hit of the Santa Clara rally, will feature tomorrow evening's community sing, said the Recreation department today.

Supporting him will be Alcene Akahashi and Dianne Endo, talented young dancers.

Next week the community sing may be divided into two groups, one for those up to 18 years of age, and the other for persons 18 years old and above.

Practice Opens For Hardball

Santa Anita's hardball season opens with a practice game between Three Star and San Pedro Saturday at the Anita Chiquita field.

The game begins at 1:30 and is to be played on the new diamond on the southwest corner of the field.

On Sunday the San Jose B's face the Commandos in the morning game, and the San Jose A's take on the All Stars in the afternoon.

So far seven teams have signed up to play and other teams and players are invited to sign up at the Recreation department. They must have their own equipment.

Jitterbugs Take Over at Dance

A swingfest, instead of the usual Sweet 'n Slow dance, is scheduled for Thursday evening, Ty Saito, community activities head, revealed today.

Over a hundred new hot records have been received during the past week.

At the Saturday night dance, the Starlight Serenaders will honor the camouflage net workers. The Serenaders, the Center's own 12-piece band, were a smash hit at their debut last week.

Jocks, Giants Vie for Second

The San Diego Falcons assured themselves of at least a tie for first place in the A Twilight softball loop by trouncing the Lil Giants, 10-3, Sunday on the Anita Chiquita field.

Seventh round softball results, with the exception of last night's game, follow:

Hawthorne 9, San Pedro 0 (forfeit)
