BOARD OF ARBITRATION IN NEW RULINGS HERE

"No contest" was the decision of the baseball Board of Arbitration on Wednesday's Sire-Falcon AA softball dispute at the Anita Chiquita field.

The board ruled that the game be replayed only if it has a bearing on the AA championship.

The beef began in the first half of the seventh inning when the Falcons, at bat, regained the lead and tried to shorten the game by making outs deliberately. The Sires, on the other hand, stalled in an effort to lengthen the contest.

To prevent a recurrence of such disputes in the future and to comply with the administration's prohibited some rulings, the board ruled that no new inning can be started after 7:45 p.m. and that games will be halted at 8:15 p.m. at which time the score will be that of the last full inning.

The board also awarded the Commandos a forfeit victory over the Rams.

Defeatism, Too, Is Our Enemy

It is difficult to conceive of any attitude more dangerous to the future welfare of the nisei than that of defeatism (second only to fascism).

True, it is only the mentally short-sighted, the spineless weaklings, plus perhaps a few who are attempting deliberately to spread defeatism, who go about crying "What's the use?" to any progressive suggestion or program concerning our welfare.

And yet, as few as these pessimists are in this Center, as illogical as is their reasoning, their voices are loud--loud, no doubt, in inverse ratio to their lack of reasoning.

Those who have faith in a democratic America must remain firm in their belief that a productive future awaits us in America's future.

Americanism Classes Draw Issei

"It is the eagerness of the students to learn that makes our classes possible," says Joe Koide, instructor of Americanism classes.

With their own initiative Koide and Bob Fujii, 12-6 12 street, started American history and geography classes to give the issei an opportunity to become better acquainted with America.

The morning class which started with 28 students now has an enrollment of 220, and the demand was so great that afternoon class-

es were begun.

Instructor Koide says students are so earnest in their desire for knowledge that they come 15 minutes before starting time and help clean the Jockey grandstand where the classes are held.

Classes meet daily except Saturday and Sunday from 9 to 11 a.m. and from 1 to 3 p.m. One hour is devoted to lectures and the other to discussion and questions.--by Betty Kana-meishi.

Ordinarily, we would say that the following items belonged on the sport page, but we feel we owe some respect to those we evicted from our present home.

Anyway, Whirlaway copped the \$43,850 purse in the Massachusetts handicap at Suffolk Downs Wednesday to beat Seabiscuit's all-time money-winning record of \$437,730.

Whirlaway, in passing Seabiscuit's total by the goodly sum of \$16,636, has earned \$454,336 in two and a half years of racing.

He carried top weight of 130 pounds in the race, paid off \$4 on a \$2 ticket and set a new track record.

Residents of Whirlaway avenue have something to crow about.

Incidentally, Bay View, the 58-1 winner of the 1941 Santa Anita handicap, won his first race since, when he led the field in the fifth at Empire City last Wednesday.

Fourth estate

The transfer of Pinedale residents to relocation centers will write '30' to the Pinedale Logger, one of the better center newspapers. Also to the Turlock TAC for the same reason.

This, added to the temporary suspension of the Manzanar Free Press, will mean a dearth of exchange publications.

On your mark

The weekly sanitation inspection caught us flat-footed again, a position in which we seem perpetually rooted, possibly from standing in line so much.

Thank you

Our shirts came back from the laundry this week minus the cellophane wrapping which reminds us that the shortage of this indispensable item will not affect the PACEMAKER. A new friend of the paper has proved to be an inexhaustible source, and we regret only that our red cellophane will not result in a two-color job on the finished pages. These days, however, we are thankful for anything.
