Dear Al:

Haven't heard from you for some time so I thought I'd drop a few lines to find out how's everything back home. I hope everyone is in best of health. I guess the discing season is here so I figured your busy lining up the works. I suppose you won't take on very much work outside of what you have can you, Al' I hope I can go back and help you on the discing. But, I guess it can't be done can it.

There's a rumors going around that we might go back to where we came from I hope its true. You can't tell a thing about the darn thing. The WRA policy changes so fast that you don't know what to believe. I heard also some of the people back home are working so that we can go back. I hope its true. I kind of got tired of this camp life same routine day in and day out.

My sis, down at the Manzanar camp wants us to move down there they have made application already to move us there. I think the parents wants to go down there to be near Percy's. So we are trying to go down there if possible.

In regards to the tractor that you were asking me about did you get any on the line for the tractors yet. I found one fellow that used to live next to Hi Fieser's place in Loomis wants to sell his but, I think he wants too much for it. He's asking around \$1400.00 for it. He bought it last year before the discing season. Its reconditioned Twenty two wide guage. He says he paid 1250.00 with out the disc. If you are interested I could ask him about it so let me know, .The Takagishi's tractor that you were asking the fellow says it staying on the ranch that fellow can used it on the place. Bugs Suzuki's got a Allis Charlmer on his place that he might be able to sell if the price is O.K. He bought it around 39 so you can imagine the condition its in. Please let me know if ^{you} are still in need of tractor. These are the two that I know off hand.

If I can get to see more fellow that came from our neck of the woods that wants to get rid of their tractor, I'll let you know.

I guess the cover crop money is ready aren't they. If so I was just wondering when we are getting ours. Will you look into it Al'

In regards to property that I want to sell I was asking around 3750.00 but, nobody wants it for that much so I have to come down a little. I owe the bank about 2800.00 so I thought with the what I owe the Pacific and the bank I won't make anything. And yet I don't want to dig out of my own pocket to sell the place can you blame ^{ME} for asking little more Al' If there is a fellow interested in buying Will you let me know Al' I'll be/ appreciate it very much.

I'll close here, Best regards to the folks.

Yours truly:

Herbert Johnson

If I can get a sack of potatoes I'll try to send it to you.
