

# Sacramento Junior College

SACRAMENTO, CALIFORNIA

March 26, 1942

To Whom It May Concern:

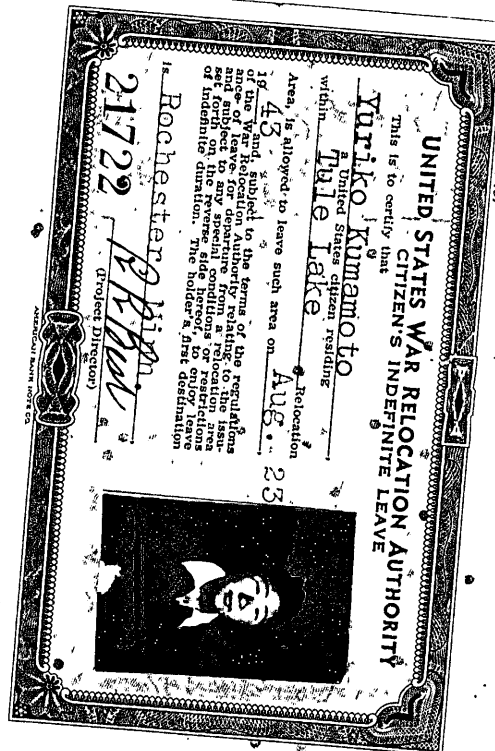

This is to certify that Yuriko Kumamoto, a Japanese student, is attending the Sacramento Junior College and is in good standing. This student has promised to obey the curfew law between 8:00p.m. and 6:00 a.m. However, she cannot continue to attend the Sacramento Junior College without being allowed to go further than 5 miles from home. Therefore, on behalf of the Sacramento Junior College I request all peace officers and others charged with the administration of national defense to permit this student to secure the necessary transportation that will permit her to go in a direct line from her home to the Junior College. Her home address is Rt 7, Box 177, Sacto., Calif.
