Dear Mrs. Silverstone
and Family,

Tomorrow you will be
leaving for San Francisco.
Here is my sincerest wish
that you will be happy there.

All of us are going to
miss you for we have
really enjoyed knowing you.

I hope that when you
get to San Francisco, that
you will write to me. Al-
though it takes me months
to answer, I will answer.

Thank you for everything
you did for me. Honestly,
I shall never forget your
kindness and broadmindedness.

Please tell "Wes" and

Allen to be good, and
don't ever forget Tulelake!?

Here's hoping that I
will meet you all again
in the "outside."

I'm still determined
to do what I told you
about, but first I'll finish
school.

This gift I am giving
you isn't much, you
know these canteens, but
I hope that you will
like it and remember
me by it.

Just,
Mary McInnis

Mrs. Fent Southwick
