Travel Authorization No. 4789

Staff Nurse Mary F. Clark
Immigration and Naturalization Service Detention Station
Fort Missoula, Montana

Notes: (Through the Chief Medical Officer)

Official telegram of even date addressed to the Chief Medical Officer, and reading in part as follows, is hereby confirmed:

"Direct Mary Clark report December twelve as Head Nurse Immigration and Naturalization Service Detention Station Crystal City issue transportation Government bill lading."

On or about December 9, 1942, you will stand relieved from duty at the Immigration and Naturalization Service Detention Station, Fort Missoula, Montana, and you are directed to report on December 12, 1942, to the Chief Medical Officer, Immigration and Naturalization Service Detention Station, Crystal City, Texas, for duty.

In carrying out the foregoing orders, you will be allowed actual and necessary transportation and \$ 6.00 per diem in lieu of subsistence.

You are authorized to use a privately owned automobile for the travel directed and will be reimbursed therefor at the rate of three cents per mile, it having been administratively determined in advance that the allowance at that rate for all or any portion of the authorized travel will be more economical and advantageous to the Government than travel by common carrier.

You are also authorized to use a Government bill of lading for the transfer of your household goods and personal effects from Fort Missoula, Montana, to Crystal City, Texas.

You are directed to advise this office promptly the dates of departure from Fort Missoula, Montana, and arrival at Crystal City, Texas, which report should be forwarded through the Medical Officer in Charge, for endorsement regarding the value of allowances, if any, to be furnished in kind.

The travel directed is necessary in the public interest.

Respectfully,

(Sgd) Thomas Parran
Surgeon General
