Dear Miss Clark,

We three Japanese nurses, namely, Nobuko Saito, Carolyn Fujisawa, & Michiko Okaji, would appreciate very much if you'd give us the consent to quit working in this hospital from next week, because of many complaints from our teachers. But, we will be willing to cooperate with ^{you} anytime, hereafter. Please to inform us when you're too busy, because we'll be at your service.

Thank you very much

Sincerely yours,

Japanese nurses.

Our first resignation!
