To Mr. J.L. O'Rourke,
Officer in Charge
Crystal City Internment Camp
Crystal City, Texas.

Dear Sir:-

I refer to my conversation with Dr. Oliver and wish to repeat my readiness to adapt spectacles for the German as well as the Japanese inhabitants of this camp. This kind of work is part of my profession.

Attached is a list of the equipment required for the above purpose. The articles have been selected from the catalogue of the "American Optical Company".

As a high percentage of the internees urgently needs spectacles, I should appreciate if the equipment could be ordered without delay, so that I can start my work as soon as possible.

Yours very truly,

Alfred Beck
