

# FRITZ KUHN MAY GET FREEDOM IN U.S. ARMY ZONE

BY ASSOCIATED PRESS

FRANKFURT, Germany, April 3.—Fritz Kuhn, former head of the German-American Bund in New York, may be released soon from internment in Germany, the U.S. Army's Intelligence Division said Tuesday.

“Kuhn is an ill and spiritually broken man, and there is little indication that releasing him, while continuing him under surveillance, will present a security problem,” an announcement said.
