

Residents Told They Can Actively Aid Return to California

Residents can actively aid in the restoration of their rights to return to California by asking Caucasian friends in that state to send letters favoring their return to Henry L. Stimson, secretary of war, and John J. McCloy, assistant secretary of war, Washington, D. C.; Maj. Gen. Charles M. Bonesteel, Presidio, San Francisco, Calif.; and Dillon S. Myer, WRA, Washington, D. C., according to the Rev. Herbert V. Nicholson of Pasadena, Calif., who visited the center over the weekend.

"The letters from the Caucasians to the persons listed would be more effective if they will stipulate that they would provide temporary or permanent housing and work for the evacuees and give evidence of community acceptance," the Rev. Nicholson said.

"The feeling in California is changing in your favor. The general public is beginning to see the injustice of keeping you people out when it is no longer a military necessity to do so. However, the war department cannot take action until it has tangible proof in the form of letters that evacuees will be well-treated when they return," he added.

If any resident in Heart Mountain feels hesitant about asking his friends in California to write the letters, the Rev. Donald K. Toriumi will take care of the service if the names are turned in to him at his home at 30-9-F.

Scrap Paper Drive to be Held Here Soon

Plans are underway for a center-wide scrap paper drive to be conducted by the Heart Mountain Boy Scouts in cooperation with the fire department, according to Arthur L. Kerr, fire chief. Definite dates for the drive will be announced later through the Sentinel and bulletins, but residents are requested to begin immediately to gather up old newspapers, magazines, books and other scrap paper, putting them in small bundles in readiness for pick-up by the Boy Scouts.

Bundles must be delivered to the warehouse area not later than August 22. Arrangements have been made to sell the paper and the funds obtained will be turned over to the Boy Scouts.

Due to the increased use of reclaimed paper a shortage has developed which threatens to seriously retard the war effort, Kerr said. Heart Mountain residents are therefore urged to give their whole-hearted support to this salvage campaign by accumulating all available scrap paper within the center during the drive.

Those interested are asked to apply at the block 8 canteen or at the community enterprises main office.

Scholarship Fund Vote Tomorrow

With residents to vote on the \$2400 scholarship fund ballot between 12 m.-7 p.m. tomorrow at booths to be established at each mess hall, the community council made the following announcement this morning concerning the measure:

"We at first decided to get the scholarship fund from the community enterprises unclaimed fund but later we learned that there was a doubt as to the legality of using the unclaimed fund for the purpose. Therefore, we have changed the wording on the ballot to read, 'Do you favor a donation by the trustees of Heart Mountain Community Enterprises to the Heart Mountain Scholarship Fund of \$2400,' not stating exactly from which fund the money was to be taken.

"This morning, our project attorney, Byron Ver Ploeg, gave his opinion on this matter as follows: 'The ballot papers will be used to determine the sentiment of the people toward the scholarship fund. The final decision whether the fund is to be given rests with the trustees of the community enterprises. Although there is some doubt as to the legality of using the unclaimed fund for the purpose, there is practically no difficulty for diverting it for the purpose.'

"We ask the voters to consider all the circumstances and use their ballot in the wisest possible manner in this first referendum we are going to have since the granting of the city charter."
