

WAR RELOCATION AUTHORITY
Washington, D. C.

To WRA Staff Members

The successful administration of the WRA program, especially in the Relocation Centers, will be dependent to a great extent upon an understanding of the cultural background of the Japanese people and their American children and grandchildren. John F. Embree, who recently has assumed responsibility for documentation of the WRA program, in the Office of Reports, has conducted studies in both Japan and Hawaii, and is recognized by his colleagues as being well qualified to report on Japanese race and culture. The accompanying notes on Dealing With Japanese Americans are commended to the attention of all WRA staff members. Additional notes of similar nature will be prepared from time to time.
