Dear Mr. McLaren,

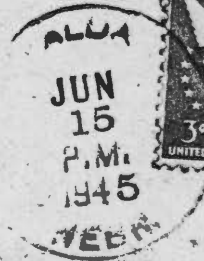

This letter is to inform you of my having received the diploma of graduation and the accompanying letter. It was forwarded to me by my sister and arrived just yesterday. Please accept my deepest thanks.

This letter, stating that I had been selected to receive a one hundred dollar ~~scholarship~~ scholarship, was indeed a great surprise. I feel honored to have been thus chosen. It will help greatly in my pursuit of higher education. You, Mrs. Lee, and all others concerned may rest assured that I will strive to the utmost of my capabilities

to justify the faith you
have placed in me. If a
strong determination to succeed
means anything, then surely
success in college will not
elude me.

Sincerely yours,
Ondrej Y. Schinaga
