The following quotation is an excerpt from a letter written to Mr. Harvey M. Coverley, Project Director, dated February 1, 1943, from the War Relocation Authority, Washington, D. C. and signed by E. M. Rowalt, Acting Director:

"With this letter I am enclosing Administrative Instruction No. 22 (Revised) which was prepared after conferences with the War Department and is in harmony with the War Department's procedures governing registration for Army service. These instructions are for use in (1) registering male American citizens of Japanese ancestry at our centers who have attained age 17, and (2) registering all other persons, male and female, regardless of citizenship, who have also attained age 17. The registration will be compulsory except in the case of those who have requested repatriation."
