Dear Ms. Otani,

On August 12, 1997 the Loomis Town Council Adopted Resolution 97-59 in support of extending the Civil Liberties Act of 1988 (Redress Bill) to Japanese American Railroad and Mining Workers. I will be sending a copy of this resolution to the other cities in the County for their support and also to Congressman Doolittle, Senator Feinstein and Senator Boxberger.

If you have any questions please give me a call.
