MORO ROCK

This huge dome of solid granite rises to a height of 7,200 feet above sea level from the top of which a wonderful panorama of the high Sierra may be had.

WESTERN PUBLISHING & NOVELTY CO., LOS ANGELES, CALIF.

Dear Lucks + Tommie

We all reached

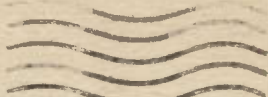

here safely around

2. P.M. the next day

The weather is just divine out here.

I had my first ice cream cone and boy did it taste good  
always
