ART CLUB

The Art Club was much under the loss of unsteady advisors since relocation has set forth. Back in the beginning term of "43", Miss Yakura was in charge. The former advisors following her footsteps in relocation are, in order, Miss Gohata and Mr. Ichiba, who taught them life drawing and cartooning. At the present, they are under the sponsorship of recent entry, Miss Miyao, who is teaching them life drawing, with club members taking turns in modeling. Due to the limited circumstances, the club hasn't covered the much wide subject of art. Now, under the capable leadership of president Joe Sugimoto, the club is running smoothly with many enthusiastic artists.

Best wishes,  
 Good luck,  
 & love  
 Betty Wakamatsu

FIRST AID

The First Aid Club was organized with 26 members. Betty Wakamatsu was elected president with the following officers to help her:

- Vice President - Lois Yasuda
- Treasurer - Frank Yamaguchi
- Reporter - John Tanaka

Mrs. Ziogler, First Aid Instructor, presented and taught the regular Red Cross Junior Course in First Aid. She was assisted by Mr. Ziogler in some demonstrations. Each member had the American Red Cross First Aid Text Book. At the completion of the Junior Course, each member who passed successfully received a First Aid Certificate.

HOME ECONOMICS

The girls of the Home Economics Club have embroidered, sewed, crocheted, made lapel pins, and have done some other handwork. They have also made candies and cookies and are planning for a party to be held soon. The sponsor of this club is Mrs. Henderson. The officers of the club are:
