In anticipation of the Rohwer/Jerome Reunion to be held in Arkansas in September 2004, it was announced that a Rohwer Jr. High School Reunion will be held at the California Hotel & Casino in Las Vegas on Oct. 28-30. # SUPERINTENDENT'S MESSAGE

To The Junior High School Students:

The year has indeed been pleasant. The weeks have gone by quickly. We have worked together and have had our fun together. The third and final year has been completed and the students will enter High Schools in many parts of the country. All will take with them the memories of school days in Rohwer.

The students of the Rohwer Center Junior High School have done many things which reflect honor and credit. We may find different associations and surroundings in our schools next year but the basic traits of character we have cultivated here will be with us wherever we go. If we have been courteous, considerate, and clean in word in action here, we will be the same in our new environment. We will be next year partly what we have been this year.

It is my sincere wish that each and all of you find your places as happy, useful citizens of this great country of ours. To have known you has been a privilege and a real pleasure. Good luck and goodbye.

Your friend,

# PRINCIPAL'S MESSAGE

To all students: I hope that I have played a small part in making your school life this year a successful and as happy as possible under the circumstances. I have been pleased to notice the good spirit that has prevailed throughout the year, the willingness to cooperate and to get things done. It has also been gratifying to know that you have been interested in learning, as evidenced by the quality of work you have done in the classroom and by the grades the teachers have reported. I hope for you all a happy "relocation" and happier school year in the years to come.

Sincerely yours,

*Vance Martin*
