TO WHOM IT MAY CONCERN:

This will introduce Mr. George Nakamura, who is leaving our employ to accept a position elsewhere. Mr. Nakamura leaves us of his own accord and we are reluctant to dispense with his services since he has proven to be a tireless, loyal, and energetic worker. We have found him to be especially adaptable to working on his own initiative. His integrity and honesty cannot be questioned, and I personally have enjoyed knowing him, as well as his family.

His capacity as an Assistant Manager of the Butcher Shop and later on as Assistant Manager of our Slaughter House, he has attained his proficiency that is worthy of note, and we feel happy to recommend him to anyone seeking the services of a tireless and conscientious worker.
