Your Cooperation NOW Is A Wartime Necessity!

*St. Paul
Et Schnell*

For the duration of the present emergency, when railroad transportation is so vital to our war program, you can help us serve the Army and Navy better and provide more comfortable train accommodations for yourself, if you will do these things:-

- ★ *Travel before or after morning and evening rush hours whenever possible.*
- ★ *Plan your "necessity" trips in advance so as not to conflict with heavy military traffic trains.*
- ★ *Purchase tickets before boarding trains - it takes 10 times as long to collect a cash fare as a ticket.*
- ★ *Travel light. Take no more luggage with you than is absolutely necessary.*
