

8/30/44

Dear Jean -

I am getting along fine -
If everything works out smoothly
I may be home over the weekend.

This coming Saturday and Sunday.

The enclosed papers are not
too important - only one and
that is the insurance application
paper. Put all these
papers away in that box,

I hope Klara and you
do not miss me too much.

I really miss you both.

Will write more later.

Love -

George
