

Fort Leonard Wood, Mo.
June 20th, 1942

Mr. Gene Kenyon, Manager
Walerga Assembly Center
Sacramento, California

Dear Mr. Kenyon:

Would the authorities grant Miss Ida Ryugo, now at Walerga Assembly Center, to be released from there and given permission to travel to Fort Leonard Wood or to Waynesville, Mo., a few miles from the Fort? She can be put into my custody because we intend to get married. Her brother, Pvt. Kay Ryugo of DEML-3, is here on this Fort and she could be in his custody also.

I have the permission of my Commanding Officer, Lt. F. A. McGovern, M.A.C., Station Hospital, Fort Leonard Wood, Mo., to have Miss Ryugo put into his custody if the authorities do not accept me. If such is the case, any papers to be signed or any correspondences which make him responsible should be sent to him.

There are sufficient funds for her traveling expenses and to provide for her when she arrives.

I shall be very grateful if you would present my case to the proper authorities. Thank you very much.

Very sincerely yours,

Masatoshi Yamaguchi
