Dear Sir:

On 27 August 1951, I visited the Kobe office of the American Consulate and submitted my final papers including my employment and voting certificates. These certificates plus my passport fee have been forwarded to the Yokohama office where I will pick my passport prior to my sailing date 21 October 1951.

As soon as these papers are acknowledged at your office, I would appreciate it very much if I can have a letter stating that the papers and passport fee were received. This letter is needed to present to the Medical Officer here to receive my inoculation required.

Please address my letter in care of Miss Kay Fukui whose complete address is below. Thank you.

Sincerely,

Masako Adachi
