

Dear Mrs Waegell—

Hello! I'm dropping this brief dropping note to let you know of my transfer. I came up here 8/15th & this place is a soldier's haven. On way up, I spent 36 hrs in Phi, & I was able to see my folks. They were awfully glad. Here in the Port, its only 10 miles to Minniapolis & 7 miles to St Paul. Classes doesn't start for quite some time, so we're taking it easy now. A car line runs in front of my building, so its very convenient. I'll try to write more next time, & so till then,

As ever,
Paul
