Dear James;

Thanks a million for the nice box of candies, that I received the other day. My futher and mother also wants to thanx you. Well, how's your and your family coming along? As for us we're all fine.

Boy! am I glad that I'm free from all school works. Guess I wrote to you the last time that I'm working in hospital's ware house. My job here is to issue out equipments to different wards and offices in the hospital. The job is okay.

now, we're taking inventory of the whole things in warehouse.

Boy it sure is lots of trouble. You find short on some items, and for other items you find more than there are supposed to be. But I still wish I was in Florida working in our ranch. When I used to live there before the war, I used to hate working in ranch, but after two years in the camp I feel like working in the good old strawberry patch and vine yard.

—How's the sheeps coming along? OK? When I think of sheeps, I think it is fun to take care of them, but if

you have to work hard, I don't think it would be so fun huh? I guess you know that very well.

Well the weather here is sort of getting very warm. How's over there?

How's Jack and George?

The recreation department of this camp is going to hold a carnival on July 1st & 2nd. Carnival is lots of fun, but it's pretty hard on your pocketbook. Because I have had experience from last year's carnival. ~~to~~

How's the people around around your vicinity about

our Japanese coming back to
our old home?

This week, we're going
to see "Gulliver's Travel". Last
week, we saw "Johnny Appollo",
boy that was a good movie. If
you get a chance, you should
see it too.

The graduation held
on June 18th, Sunday, was very
successful. Do you know Geo.
Nenashi, I think you used to
take gym with him, well he
graduated this year.

I'm ~~was~~ running out
of words now so so long
and my best regards to
you and your family.

Your Pal,
Leo Uchida.

P.S.

When is your birthday?
I wrote to you about
letting me know your
home address in the last
letter and maybe you
forgot to write it so
next time when you
write, can you tell
me your home address?
Thank you.
