Dear Lieutenant:

It is always a privilege to render any service I can to those who supported me so loyally in my campaigns and who, by their acts, have proved to the world their patriotism and love of democracy.

I am enclosing a copy of a letter I have addressed to the Attorney General and I sincerely hope that it will result in action which you will find satisfactory.

Sincerely yours,

MARK W. CLARK  
General, U.S.A.
