Dear Sir:

REFERENCE: Claim No. 133557 NR

A Board of Review has been appointed by the Service Recognition Board to review denied claims.

Because so many of the claims denied raised no questions of law or fact, the Board of Review has presently decided to review only those claims where the applicant whose claim was denied requests a review.

You are hereby notified that if you so desire to have your claim bearing the above number reviewed, a letter requesting a review of your claim, referring to the above claim number, should be mailed, postage prepaid, to the Board of Review to whichever of the above addresses you originally filed your application. As the requests will be reviewed in the order in which they are received, the request should be made as soon as possible but not later than May 9, 1949.

If the Board of Review does not receive such a request from you, postmarked not later than midnight of the date stated, the Board of Review will presume that you accept the decision of the Director and do not desire a review of your claim.

Very truly yours,

For the Board of Review of the
Service Recognition Board
