Section 3841 of the Political Code of the State of California provides as follows:

"It shall be the duty of each alien so registered to keep such certificate of registration in his immediate personal possession at all times and to exhibit the same, upon demand, to any assessor, deputy assessor or peace officer within this state, whether within the county of registration or not. Any inability, failure or refusal so to exhibit such certificate of registration for inspection after the period of registration is closed for the current year shall be prima facie evidence of the failure of such alien to register as herein provided and shall be sufficient cause for the immediate arrest, without warrant, and the detention of such alien."

"NOTICE: The law imposes upon you a tax of \$10.00 payable to the county assessor on and after August 1, 1921, and if not so paid on or before December 31, 1921, a penalty of \$5.00 and interest will be added thereto."
