TO WHOM IT MAY CONCERN:

This will introduce Mr. Harry H. Kawanishi, who has been employed in the capacity of Carpenter Foreman, having charge of Building Construction in the Jerome Relocation Center.

Mr. Kawanishi has the ability to organize construction employees and produce results.

His services were very satisfactory and I have no hesitancy in recommending him for the above position for which he is well qualified.

This man was employed on Post Contingent work during the closure of this center and you will make no mistake in employing him in the above capacity.
