

MEETING OF TEMPORARY COUNCIL  
OF BLOCK CHAIRMEN

October 2, 1942

8:30 A. M.

A discussion took place on the following problems. As a result we are requesting that the Administration please take into consideration:

1. An immediate supply of medicine and equipment so that the Center can be prepared to meet any emergency.

2. A supply of dental material. There are many cases of sickness arising from lack of dental care.

3. Establishment of an adequate protective system for property left by evacuees.

4. Arrangement for internees in detention camps, whose hearings have been already completed, to live with their families in relocation centers until repatriation takes place.

5. Establishment of a better system to obtain pay checks.

Suggestion: "Alotting certain hours for each Block "

6. Payment for over-time work.

7. Increase in wages in comparison to that of soldiers as it was originally planned.
